

Federal League Late Fights With Foes in Opening Court Battle

You must make a distinction.

You mustn't be governed by price—especially reduced prices—or you'll not get the best of the bargain.

Quality and character are the things which count in clothes. But we make our reductions all out of proportion to the values—because clearance we MUST have at all costs.

You can understand that a Shop like this couldn't afford to put before you any "left-overs." No matter how good they might be.

So the Sale includes EVERY Suit (except Full Dress and Cutaways); and EVERY Overcoat—the highest grade, and the most effective.

Suits or Overcoats up to \$22.50	Suits or Overcoats up to \$30.00	Suits or Overcoats up to \$37.50	Suits or Overcoats up to \$45.00
\$14.75	\$19.75	\$24.75	\$29.75

Take Advantage of these Shirt Savings, Too

Every one of these Shirts has had its place in our stock by right of exclusive pattern; and excellence of quality. Not an "outsider" is among them.
